Academic Year -2022-2023

ACTION TAKEN REPORT OF THE INSTITUTION ON THE FEEDBACK REPORT AS DISCUSSED IN THE GOVERNING BODY

(GB Meeting Date: 15-06-2024, Item No. 17c)

The institute has set up an online feedback system to gather opinions, complaints, and suggestions from all stakeholders involved, including students, teachers, parents, alumni and employers. The updated feedback is carefully examined, and the proper steps are implemented via the designated channels.

Decision proposed by the IQAC

(IQAC Meeting Date: 02-12-2023)

During its recent meeting, the IQAC of the college reviewed feedback from various stakeholders and formulated the following decisions:

1. The aims and objectives of the syllabus should be well defined and clear to the teachers and students.
2. All departments will be instructed to guide students to follow college application and website to familiarize with various academic aspects and examination schedule as well as the LMS.
3. Institute will organize Career counselling seminar frequently and students will be instructed to participate every career counseling seminar.
4. Industry visits and soft skill development programs will be conducted to motivate students.
5. College labs will be visited by the students of local schools for gaining interest to admit in the general degree courses.
6. Steps should be taken to improve the pass percentage of the students.

7. To conduct regular parent teacher meeting and mentoring sessions.
8. Gender Audit, Green Audit other quality assurance measures are required for the betterment of those important issues. IQAC suggests immediate implementations of recommendations of concerned Sub-committees, Nodal Steering Committee, Expert teams as much as practicable.

Subsequent implementation by the GB of the actions suggested by IQAC

Following the approval of the actions proposed by the IQAC, the GB of the college has endorsed the following measures for effective implementations during its recent meeting:

1. Upgraded classrooms with Smart boards, interactive panels which help students in better learning and understanding.
2. Students are made aware of placement /outcome of the programme during Orientation/induction Programs in the beginning.
3. More of industry, research institute, Historical place and many others field visits are conducted more frequently. Teachers are asked to undertake more experiential teaching learning process. Teachers are also using PowerPoint presentations and excel office applications for enhancing teaching learning experience.
4. More career guidance, hands-on learning experiences and soft skill development schemes have been implemented.
5. Meetings and interactive sessions have been organised between prominent alumni and present students on guidance and career counselling as well as motivational talks.
6. Implemented regular feedback sessions between students and faculty to foster open communication.
7. Organized more cultural and sports events, encouraging student participation.
8. All departments are instructed to arrange different seminars, workshops etc. related to the curriculum for the benefit of the students.
